

Mercedes-Benz of Houston North

Walter Weibel, the General Manager of Mercedes-Benz of Houston North, is as committed to the Houston community as he is to his Mercedes-Benz customers. You may have seen him at one of the many charity events Walter and Mercedes-Benz of Houston North support around the great city of Houston. Walter Weibel is a respected member of the Houston business community. He has worked in Houston for over twenty-five years and built the reputation for providing a buying experience that makes customers return for many years. You don't have the success and reputation of Walter Weibel without long-term relationships of trust, friendship and respect.
