

Mercedes Benz of Houston North introduced the new 2006 ML350 and ML500 to more than 500 guests on May 12, 2005. Adding to the luxurious ambience was a fashion show, mini-spa treatments, golf putting green, cigar lounge and delicious passed hors d'oeuvres, all enhanced by delightful jazz music of Yvonne Washington. All this notwithstanding, the drama of the evening justifiably surrounded the unveiling of the spectacular ML350 and ML500.
