## SIP 'N SEES

Houston's style set joined Neiman Marcus in welcoming the CEO of Brioni USA, Joseph Barrato, at the home of Mihir and Vaishali Mody (of Mody & Mody). Their new home is filled with modern furnishings and, it's so new in fact, the large glass walls and wood floors were installed the day of the shindig. Guests previewed Neiman's latest Brioni collection draped on beautiful men and women. ... Gems by Chao welcomed guests to the Royalton Ballroom for a cocktail reception. The women sipped champagne while trying on stunning platinum and 18-carat jewelry. —MM
